

RFA Orientation Sessions 2018

Resource Family Approvals – Also known as RFA – Is a method of Certifying care providers for the care and supervision of children, youth, and non-minor dependents (NMD) in the foster care system. Mandated by California State Statute, RFA creates a platform for all resource families to receive the same information, training and opportunity for support.

We look forward to meeting with you to help you understand: □

- Completing an application
- Building & grounds assessment
- Permanency assessment
- Fingerprint clearances
- Health screening
- Attending and completing the pre-service training
